SCHOLASTIC

Your Child Gets to Choose Ten Free Books for Their Home Library!

Dear Families,

We have exciting news! Our school is participating in a book club program called the United States of Readers! Every student in our school can choose and keep ten books.

Here's how it works:

- Your child will select two books five times a year.
- The teacher will place the class order, and the books will be shipped to the school.
- Your child will get their brand-new books to take home, read, own, and love at no cost to you or their teachers.

Thank you for supporting your child's growth as a reader!
