SCHOLASTIC

Your Child Is a Reader!

Dear Family,

Great news! This year, every student in our school will get to **choose ten brand-new books** to take home and keep at no cost to you.

Here's how it works:

- Your child will select two books five times a year.
- I will place the class order, and the books will be shipped to the school.
- Your child will get their brand-new books to take home, read, own, and love at no cost to you or their teachers. Your child will receive bookplate stickers with the books for the inside covers to make them truly their own.

Thank you for supporting your child's growth as a reader!
